

Am Brian Kakooza, I am 17years of age and I live in Kiwanga. My father Ruduli is a total orphan that was brought up by Daughters of Charity orphanage home Kiwanga branch.

I did half of my education from Mother Kevin Primary School and dropped out in the fourth grade due to poor performance and the inability of my father to pay the school fees.

I don't know who my mother is, there is a hearsay that she dumped me when I was one year old. I really wish to have someone love me the way a mother loves her child, to give me direction in my teenage, to give me a new reason to live every morning.

If given an opportunity, I would love to acquire vocational skills in either catering or motor vehicle mechanism. I will be grateful for your support and pray to the good Lord to shower you with his blessings – AMEN
