

I am Assumpter Imelda Nakanwagi aged 17 and 8months years. I am one of the many children that Sister Rose rescued and I was about one month old – according to what people say. Kiwanga orphanage among the three orphanages of Sister Rose has been only my home.

I did all my primary school education at Mother Kevin Primary school and joined vocational program for tailoring where I acquired fashion and designing skills.

Last year, I got a boyfriend who promised me heaven and earth but after making me pregnant I never saw him upto date! I am expecting my child anytime from now and on the journey of becoming a young single mother . My chronic asthma has made doctors to predict that I will give birth through the operation (c-section), please help me to raise money for it.

My dream is to set up a tailoring center to be able to take care of my little baby who is on her way but I lack capital to purchase a sawing machine, rent and materials. I believe that when you empower me, I will be able to support and sustain myself and my little one.

Please support me to be able to take care of my self and my pregnancy, am begging you please!
